By AKR1230 from Holly Springs, NC [\(read all my reviews\)](#)

"I have this bag in 3 different colors so I obviously like the style. It's a good size for those that only carry the necessities. The leather is soft and flexible. It's also versatile in that the inner straps allow you to change the size somewhat to expand or contract according to preference.

Definitely recommend it when you're not sure about size preference for a handbag when buying a gift because of its versatility. The color choices are wonderful, too."
